Subject and Title Index

A

Abortion
  complications of induced, 539
  correlates of repeat induced, 816
  delays in obtaining, factors in, 556
  fetal blood typing after, 724
  Lesch-Nyhan syndrome, preventive control of, 109
  mid-term, laminaria metreurynter for, 612
  mid-trimester, cervical fistula complicating, 82
  myometrial necrosis after saline induced, 315
  prevention of Rh immunization after, 366
  recurrent, cervical mucus, vaginal cytology and steroid excretion in, 394
  saline induced, 243, 247, 315, 539, 556, 728
  suction curettage, uterine perforation during, 551
  surgery, major, for sterilization and, 738
  therapeutic, psychiatric complications of, 252
  threatened, total and heat stable alkaline phosphatase levels in, 163
Adenocarcinoma
  broad ligament, müllerian origin of, 238
  ovarian, management of, 411
Adrenal gland in anencephalics, 607
After-loading applicator (A new) for the treatment of cancer of the cervix and vagina, *Instrument & Method*, Peeples WJ, Hazra TA, Lott S, Rao GUV, Digel J, 128
After Office Hours: 114–117, 117–121, 121–122, 257–263, 263–264, 429–432, 432–437, 618–620
Alcohol (local) injection of, in the treatment of vulvar pruritus, Woodruff JD, Thompson B, 18
Alcoholic cirrhosis, bleeding esophageal varices and portal hypertension due to, complicating pregnancy, 377
Alkaline phosphatase, total and heat stable in serum in normal and abnormal pregnancies, 163
Amenorrhea
  galactorrhea and, Hughes Patricia, Gillespie A, Dewhurst CJ, 147
  primary, gonadotrophin resistant ovaries in, 6
American College of Obstetricians and Gynecologists (The)–1972: *President's Inaugural Address*, Gardiner SH, 461
Amniocentesis
  fetal bleeding as a hazard of, 702
  fetal cardiac tamponade complicating, 599
  importance of placental localization before, 194
  prenatal genetic studies, Milunsky A, Atkins L, Littlefield JW, 104
Amniotic fluid
  indicators of fetal maturity, Enlander D, 605
  L/S ratio as index to fetal maturity, 173, 697
Anemia, hemolytic, malignant hypertension, uremia and in a patient taking oral contraceptives, 681
Anencephaly, discordant, in a set of triplets, 607
Anesthetic hepatitis, 590
Anovulation: What price fertility? *After Office Hours*, Karp L, 618
Antibiotics, prophylactic, in elective major gynecologic operations, 765
Anticoagulant, circulating, development during pregnancy, 56
Anti-D plasma, high titer, 10-year experience with, for the prevention of Rh isoimmunization, Hamilton EG, 692
Antihemophilic globulin in hemophilia-like disease during pregnancy, 56
Antithyroid-thyroid therapy of thyrotoxicosis during pregnancy, *After Office Hours*, Selenkow HA, 117
Aorta, ligated, outcome of pregnancy in rats with, 391
Azathioprine therapy complicated by pregnancy, Erkman J, Blythe JG, 708

B

Benign intracranial hypertension differentiated from pseudotumor cerebri, 713
Biologic (The) behavior of low-grade papillary serous carcinoma of the ovary, Julian CG, Woodruff JD, 860
Bipolar version in the management of hemorrhage from placenta praevia, Chapman K, 373
Bladder, role of infections in stress incontinence, 13
Bleeding esophageal varices in pregnancy, Evans IMA, Hoyuen B, Anderson FH, 377
Blood types of human mothers and their offspring, placental weight and water content relative to, 799
Book Reviews:
  Barber HK, Graber EA: Septic Shock in Obstetrics and Gynecology, rev by RH Schwarz, 456

Gynecology, rev by EG Friedrich, 136
Hellman LM, Pritchard JA: William's Obstetrics, rev by EH Bishop, 137
McDonald IA: A method of Obstetrics and Gynecology, rev by SH Sturgis, 457
Moir JC, Myerscough PR: Munro Kerr's Operative Obstetrics, rev by Wilbanks GD, 137
Rimoin DL, Schmike RN: Genetic Disorders of the Endocrine System, rev by TA Baramki, 276
Symposium on the Functional Physiopathology of the Fetus and Neonate, rev by TR Boggs Jr, 458
Textbook of Obstetrics and Gynecology, rev by GD Wilbanks, 137
Thal AB: Shock: A Physiologic Basis for Treatment, rev by Nusbaum M, 274
The Action of Hormones: Genes to Population, rev by Traum RE, 772
The Sex Book, rev by Daly MJ, 771
Breech delivery in the primigravida, *Reviews*, Benson WL, Boyce DC, Vaughn DL, 417
Brenner tumor
light and electron microscopy, correlations, 667
proliferating (A), Finkle HI, Goldman RL, Sung Maryanna, 39
Broad ligament adenocarcinoma of müllerian origin, Czernobilsky B, Lancet M, 238
B-scan sonar cephalometry (Methodology of) with electronic calipers and correlation with fetal birthweight, Sabbagha RE, Turner JH, 74

C

Caloric cost of normal pregnancy, Emerson K Jr, Saxena BN, Poindexter Emma L, 786
Candida albicans, new rapid identification method, 615
Carcinogenesis, cervical, relationship of oral contraceptives to, 508
Carcinoma
cervix
after-loading applicator for therapy, 843
costs of, 851
intraepithelial, associated with pregnancy, 657
para-aortic node metastases, neural manifestations, 45
percutaneous radiofrequency cordotomy for pain relief, 50
endometrial, pregnancy and, 334
ovarian, radioactive colloids in, 42
ovary, papillary serous, low grade, biologic behavior of, 860
squamous cell in artificial vagina, 35
vagina, invasive, diagnostic, prognostic and therapeutic considerations, 843
vulvar
clinical staging, 277
verrucous, 3 cases of, 502
Carcinoma of the endometrium co-existing with pregnancy, Karlen JR, Sternberg LB, Abbott JN, 334
Cardiovascular system, effects of ritodrine on uterus and, in premature labor, 65
Cephalometry, B-scan with electronic calipers, correlation with fetal birthweight, 74
Cervical carcinoma and oral contraception, Boyce JG, Lu Therese, Nelson JH, Joyce Diane, 139
Cervical conization: Experience with 400 patients, Davis RM, Cooke JK, Kirk RF, 23
Cervical fistula: A complication of mid-trimester abortion, Goodlin R, Newell J, O'Hare J, Sturz H, 82
Cervical mucus, vaginal cytology and steroid excretion in recurrent abortion, MacDonald RR, Goulden R, Oakley RE, 394
Cervix
abnormalities after exposure to stilbestrol in utero, 287
carcinogenesis, oral contraceptives and, 508
carcinoma of
after-loading applicator for therapy, 128
costs, 85
intraepithelial, associated with pregnancy, 657
oral contraceptives and, 139, 508
para-aortic node metastasis, 45
radiofrequency cordotomy, percutaneous for pain relief, 50
conization, experience with 400 patients, 23
cryosurgery of, pyometria complicating, 499
fistula of, 82
Challenge (A) to the gynecologic oncologist, *Views*, Twombly GH, 123
Cholestasis, obstetric, 588
Choriocarcinoma in Singapore, observations on, Teoh ES, Dawood MY, Ratnam SS, 519
Choriodecidual junction, factors stimulating decidual cell secretion, 186
Classification (A practical) of fetal heart rate patterns, O'Gureck JE, Roux JF, Neuman MR, 356
Clinical obstetrics: Self-assessment test, *Graduate Education*, Tovell HMM, Davis CD, Stumpe AA, 438

Clinical staging of carcinoma of the vulva, Franklin EW III, 277
Clomiphene citrate
induced ovulation, plasma progesterone levels in detection of, 152
treatment of amenorrhea and galactorrhea after oral contraception withdrawal, 147
Coagulation
defective, associated with uterine rupture, 211
fibrinolytic defect after saline abortion, 728
Coitus
formation of a neovagina by, 763
pneumoperitoneum after, due to uterine tube prolapse after vaginal hysterectomy, 218
Colloids, radioactive in treatment of Stage IA ovarian cancer, 42
Comparison of instantaneous fetal heart rate recorders, Goodlin RC, 265
Complications after therapeutic abortion, medical and surgical, 539
Conization, cervical, experience with 400 patients, 23
Contraception
intrauterine devices
ectopic pregnancy with, 214, 535
removal after uterine perforation, 225
oral
amenorrhea after discontinuing, 147
cervical carcinoma and, 139
erythema nodosum and, 409
malignant hypertension, uremia and hemolytic anemia in women taking, 681
relationship to cervical carcinogenesis, 508
postpartum, 403
sterilization, 443, 539
Contraceptive provision in the immediate postpartum period, Shulman JJ, 403
Cordotomy, percutaneous radiofrequency, pain relief in cervical cancer, 50
Coronary artery, dissecting intramural hematoma of, in pregnancy and puerperium, 202
Correlates of repeat induced abortion, Bracken MB, Hachamovitch M, Grossman G, 816
Costs (The) of carcinoma of the cervix, Schneider J, Twiggs LB, 851
Creatinine levels in amniotic fluid and fetal maturity, 605
Critique on the use of combined therapy versus antithyroid drugs alone in hyperthyroidism during pregnancy, *After Office Hours*, Engbring N, 121
Cryosurgery
cervical, pyometria complicating, 499
endometrium, rabbit, regeneration of after, 638
Curettage, suction, a cluster of uterine perforations related to, 551
Cystic mastitis associated with amenorrhea and galactorrhea, 147

D

Decidual cell production of human placental fibrinoid, Azab I, Okamura H, Beer A, 186
Defibrination in saline abortion, Schwartz R, Greston Wilma, Kleiner GJ, 728
Delivery
breech in the primigravida, 417
perineal endometriosis at site of episiotomy scar, 28
through central rupture of the perineum, 594
Determination of lecithin-sphingomyelin ratio in amniotic fluid, Kulkarni BD, Bieniarz J, Burd L, Scommegna A, 173
Diabetes
pregnancy and, total and heat stable alkaline phosphatase levels in, 163
proliferative retinopathy in pregnancy, 199
screening in a prenatal clinic, 567
Diagnosis of vaginal mycosis and trichomoniasis: Reliability of cytologic smear, wet smear and culture, McLennan Margaret T, Smith Jean M, McLennan CE, 231
Diagnostic, prognostic and therapeutic considerations in invasive carcinoma of the vagina, Perticucci S, 843
Discordant anencephaly in a set of triplets, Kohler HG, MacDonald HN, 607
Dissecting intramural hematoma of the coronary artery in pregnancy and the puerperium, Asuncion CM, Hyuan J, 202
Dynamics of placental and uterine blood flow: A functional index using ^{113m}In, Antar MA, Spencer RP, 385

E

Early uterine evacuation, morbidity after,, 539
Echography in gynecology and obstetrics, ultrasonic film, 299
Ectopic pregnancy and intrauterine contraception: A definite relationship, Seward PN, Israel R, Ballard CA, 214
Electronic evaluation of fetal heart rate: XI. Description of a spiral electrode, Hon EH, Paul RH, Hon RW, 362
Endometriosis, perineal at site of episiotomy scar, 28
Endometrium
carcinoma of and pregnancy, 334
heterotopic tissue, fetal implants as, 686
hormone dependency of stromal cells of uterine tumor, 487
regeneration (rabbit) after cryosurgery, 638
Enterocele (Types of) and principles of underlying choice of operation for repair, *After Office Hours*, Nichols DH, 257

Pages 1–138, July; 139–276, August; 277–460, September; 461–626, October; 627–772, November; 773–912, December

Episiotomy, endometriosis at site of scar, 28
Epithelioid sarcoma of the vulva, Piver MS, Tsukada Y, Barlow J, 839
Erythema nodosum, oral contraceptives and, 409
Erythrocytes
  fetal, transfer to maternal circulation after amniocentesis, 194
  uterine myomas and erythrocytosis, 646
Esophageal varices, bleeding, in pregnancy, 377
Estradiol
  binding by fibroid tumors and normal myometrium, Farber M, Conrad Suzanne, Heinrichs WL, Herrmann WL, 479
  levels, plasma growth hormone and, in women with uterine myomas, 829
Ethanol (*see also alcohol*)
  placental transfer at term and its elimination, 180
Evaluation of a new pregnancy test: Pregnosticon Dri-Dot, Horowitz CA, Sinykin M, Hill D, Jerome Elizabeth, Burke MD, 563
Extrauterine pregnancy (Advanced) and the fetal death syndrome: Report of a case with clinicopathologic considerations, Dehner LP, 525

F

Factors responsible for delay in obtaining interruption of pregnancy, Mallory GB, Rubenstein LZ, Drosness DL, Kleiner GJ, Sidel VW, 556
Fertility, triple mosaicism and, 98
Fetal bleeding as a major hazard of amniocentesis, Ryan GT, Ivy R Jr, Pearson JW, 702
Fetal blood typing after induced abortion, Shah S, Haber Jane M, Queenan JT, 724
Fetal cardiac tamponade: A complication of amniocentesis, Berner HW, Seisler EP, Barlow J, 599
Fetal death syndrome, advanced extrauterine pregnancy and the, 525
Fetal implants, iatrogenic, 686
Fetal wastage and maternal mosaicism, Hsu Lillian Y, Garcia FP, Grossman D, Kutinsky Enid, Hirschhorn K, 98
Fetomaternal hemorrhage, after amniocentesis, 194
Fetus
  birthweight, B-scan sonar cephalometry with electronic calipers, correlation with, 74
  bleeding, major hazard of amniocentesis, 702
  cardiac tamponade complicating amniocentesis, 599
  classification of heart rate patterns, 356
  death
    alkaline phosphatase, total and heat stable, 163
    extrauterine pregnancy, 525
    listeriosis, 91
    maternal mosaicism, 98
  erythrocytes, transfer after amniocentesis, 194
  genetic studies in Lesch-Nyhan syndrome, 109
  haloacardius, 740
  heart rate
    electronic evaluation, spiral electrode for, 362
    patterns during labor and neonatal depression, 347, 356
    recorders, comparison of, 265
  lung maturity, L/S ratio in prediction of, 173, 697
  lymphocytes in maternal blood, prenatal diagnosis, 340
  metabolism in aorta ligated rats, 391
  maturity, amniotic fluid creatinine in, 605
  placental transfer of ethanol, 173
Fibroid tumors and normal myometrium, estradiol binding by, 479
Fibrinoid, placental, decidual cell production of, 186
Fibrinolysis after saline abortion, 728
Fistula
  cervical, 82
  recurring rectovaginal, 323
  vaginal, ovarian abscess and, 321

G

Galactorrhea, amenorrhea and, 147
Genetics, prenatal studies, amniocentesis for, 104
Genital tract, female, Herpesvirus hominis infection of, 871, 891
Germ cell (A mixed) sex cord stroma tumor of the ovary in a normal female infant, Talerman A, 473
Glucose tolerance, screening test in prenatal clinic, 567
Gonadal dysgenesis, gonadoblastoma in, 466
Gonadoblastoma in a true hermaphrodite with 46, XY genotype, Park IJ, Pyeatte JC, Jones HW, Woodruff JD, 466
Gonadotrophin
  chorionic
    choriocarcinoma, 519
  menopausal, human,
    inadequate luteal phase, 826
    induced ovulation, plasma progesterone for detection of, 152
    ovaries resistant to, in primary amenorrhea, 6
    ovulation induction, quintuplet gestation after, 1
Gonadotrophin-resistant ovaries in primary amenorrhea, Van Campenhout J, Vauclair R, Maraghi K, 6
Graduate Education: 438–442, 749–754

Pages 1–138, July; 139–276, August; 277–460, September; 461–626, October; 627–772, November; 773–912, December

Growth hormone (Plasma) and estradiol levels in women with uterine myomas, Spellacy WN, Le Maire WJ, Buhi WC, Birk SA, Bradley BA, 829
Guidelines for the management of patients with ovarian adenocarcinoma, *Reviews*, Piver MS, 411
Gynecologic-oncologist
challenge to, 123
responsibilities and training, *Graduate Education*, Rutledge FN, 749
Gynecologist, a letter to my former, 263
Gynecology
interviewing technics, 760
office aids, 306
recruitment for obstetrics and, 429, 432
ultrasonic film echography in, 299

H

Haemophilus vaginalis, new rapid identification method, 615
Heart rate patterns
fetal
classification, 356
during labor, neonatal depression and, 347
electronic evaluation, spiral electrode for, 362
recorders, comparison of, 265
Heat stable alkaline phosphatase, total and, in serum in normal and abnormal pregnancies, 163
Hemangiopericytoma, uterine, 652
Hematoma, dissecting intramural, of coronary artery in pregnancy and puerperium, 202
Hemophilia-like disease associated with pregnancy, Marengo-Rowe AJ, Murff G, Levenson JE, Cook Judith, 56
Hemorrhage from placenta praevia, bipolar version in management, 373
Hemorrhage
antihemophilic factor causing, during pregnancy, 56
esophageal varices in pregnancy, 377
placenta praevia, bipolar version in management, 373
therapeutic abortion and, 539
Hepatic failure, hepatitis and, during pregnancy, 586
Hepatitis and hepatic failure in pregnancy, Holden TE, Sherline DM, 586
Hepatotoxic drugs, 589, 590
Hermaphroditism, male, gonadoblastoma in, 466
Herpesvirus hominis infection of the female genital tract, *Reviews*, Poste G, Hawkins DF, Thomlinson J, 871
Editorial comment on: Edward G. Friedrich, 891
Holoacardius, *Reviews*, Wilson EA, 740
Hormone dependency and clinicopathologic features of uterine stromatosis, 487
Hormone imbalance or deficiency in recurrent abortion, 394
Human ovarian neoplasms, light and electron microscopy: I. The Brenner tumor, Merkow LP, Salazar H, Pardo M, 667
Hydatidiform mole, incidence of choriocarcinoma after, 519
Hydrosalpinx, tuberculous, prolonged retention of iodized contrast medium in, 221
Hyperbilirubinemia, neonatal, prophylaxis with phenobarbital, 85
Hyperthyroidism
normalized serum thyroxine in pregnancy, 575
thyroid vs antithyroid drugs alone during pregnancy, 114, 117, 121
Hyperparathyroidism during pregnancy, Johnstone RE, II, Kreindler T, Johnstone RE, 580
Hypertension
benign intracranial differentiated from pseudotumor cerebri, 713
malignant, uremia and hemolytic anemia in a patient taking oral contraceptives, 681
preeclampsia and, serum total and heat stable alkaline phosphatase in, 163
Hypertension, malignant, uremia and hemolytic anemia in a patient taking oral contraceptives, Tobon H, 681
Hypofibrinogenemia associated with extrauterine pregnancy and fetal death, 525
Hypothyroidism, pregnancy and, normalized serum thyroxine values in, 575
Hysterectomy
abortion and, morbidity, 539
cesarean in preeclampsia, liver failure after, 586
pneumoperitoneum after coitus caused by uterine tube prolapse after, 218
uterine perforation related to suction curettage, 551
vaginal
aids to, 892
ovarian abscess and vaginal fistula after, 321
Hysterotomy
abortion morbidity, 539
evaluation of patients aborted by, 556

I

Iatrogenic fetal implants, Newton CW III, Abell MR, 686
Immunosuppressive therapy complicated by pregnancy, 708
Importance (The) of placental localization preceding amniocentesis, Curtis JD, Cohen WN, Richerson HB, White CA, 194
Incontinence
stress
kidney infections, role in, 13
Martius pedicle graft, bilateral, 755
nulliparous patient, 13

urethral sphincter function deficient, patterns of urethral resistance in, 634
intravesical and intraurethral pressures, 627
Infant, normal, mixed germ cell-sex cord stroma, ovarian tumor in, 473
Infertility, inadequate luteal phase, new treatment for, 826
Instruments & Methods: 128–131, 265–267, 443–446, 447–448, 612–615, 615–617, 755–759, 892–894
Intraamniotic saline injections
abortions, 243, 247
complications of, 539
Intraamniotic sodium concentration (effect of) on saline induced abortion, Weiss RR, Neuwirth RS, Friedman MM, 243
Intraepithelial carcinoma of the cervix associated with pregnancy, Boutselis JG
Intrauterine contraceptive devices (Removal of) after uterine perforation, Allen JR, Shemwell RE, MacLeod DP, Weed JC, 225
Intravesical and intraurethral pressure as a measure of urethral sphincter function, Low JA, Kao M-S, 627

K

Kidney, infections, role in stress incontinence, 13

L

Labor
classification of FHR patterns during, 347, 356
premature, hyperthyroidism and, 580
premature, effects of ritodrine, 65
rupture of perineum during, 594
Laminaria-metreurynter method of midterm abortion in Japan, *Instrument & Method,* Manabe Y, Nakajima A, 612
Laparoscopy, removal of intrauterine devices after uterine perforation by, 225
Latex agglutination slide test for pregnancy, evaluation, 563
Lecithin-sphingomyelin ratio
amniotic fluid, 173
Lecithin-sphingomyelin ratios in amniotic fluid: relation to neonatal condition and gestational age, Schulman JD, Queenan JT, Scarpelli EM, Church Elizabeth, Auld PAM, 697
Leiomyomas
uterine, erythrocytosis and, 646
uterine, plasma growth hormone and estradiol levels in women with, 829
Lesch-Nyhan syndrome, preventive control of the, Van Heeswijk PJ, Blank CH, Seegmiller JE, Jacobson CB, 109
Letter (A) to my former gynecologist, *After Office Hours,* Sanders Anita, 263
Letters: 132–134, 268–273, 449–455, 621–626, 763–772
Lipiodol, prolonged retention in oviduct, 221
Listeriosis as a cause of fetal wastage, Kelly CS, Gibson JL, 91
Liver
fatty
idiopathic, of pregnancy, uncomplicated subsequent pregnancy after, 813
in obstetrics, 588
Luteal phase, inadequate, new treatment for, 826
Luteinizing hormone, ovulation induction with HMG and, quintuplet gestation after, 1
Lymphocytes, fetal, in maternal blood, prenatal diagnosis, 340
Lymphoma, primary, of the vagina, 235

M

Management of the pregnant hyperthyroid: The argument against combined antithyroid-thyroid therapy, *After Office Hours,* Hamburger JI, 114
Martius pedicle graft (The bilateral): Surgical adjunct in secondary procedures for stress incontinence, *Instruments and Methods,* Barnett RM, 755
Mastitis, cystic, associated with amenorrhea and galactorrhea post oral contraceptives, 147
Maternal-fetal (Human) nutrition, *Editional Comment,* Brewer TH, 868
Maternal nutrition: A selective review of clinical topics, Pitkin RM, Kaminetzky HA, Newton M, Pritchard JA, 773
Medical and surgical complications of therapeutic abortions, Stewart GK, Goldstein P, 539
Metastasis in choriocarcinoma, 519
Midwifery, community nurse-midwife program, physician sponsored, 719
Morbidity
abortion and, 539
neonatal and maternal, in breech delivery, in primigravidas, 417
statistics, *Letter to the Editor,* Goodlin RC, Allen JL, 765
Mortality, incidence and causes of, in choriocarcinoma, 519
Mosaicism
chromosomal, 769
maternal, fetal wastage and, 98
Mothers and their offspring, blood types relative to placental weight and water content, 799
Müllerian system, broad ligament adenocarcinoma originating from, 238
Mycotic infections, vaginal, reliability of cytologic smear, wet smear and culture in diagnosis, 231
Myometrial necrosis after therapeutic abortion, Wentz Anne Colston, King TM, 315

Pages 1–138, July; 139–276, August; 277–460, September; 461–626, October; 627–772, November; 773–912, December

Myometrium, normal, estradiol binding by fibroid tumors and, 479

N

Neonatal depression and fetal heart rate patterns during labor, O'Gureck JE, Roux JF, Neuman MR, 347
Neonate
  blood type, maternal and relative to placental weight and water content, 799
  depression, FHR patterns during labor and, 347
  ethanol levels in, 173
  hyperbilirubinemia, prophylaxis with phenobarbital, 85
  tetany in, maternal hyperparathyroidism and, 580
Neoplasm, human, ovarian, light and electron microscopic correlation. I. The Brenner tumor, Merkow LP, Salazar H, Pardo M, 667
Neovagina, formation by coitus, 764
Neural manifestations of para-aortic node metastases in carcinoma of the cervix, Nelson KM, Hewett WJ, Chuang JT, 45
New treatment for the inadequate luteal phase, Shapiro AG, 826
Nonpuerperal female sterilization: Simplified, inexpensive technic for partial salpingectomy, *Instrument & Method*, Saunders WG, Munsick RA, 443
Normalized serum thyroxine (T_4N): The test for thyroid function in pregnancy, Ashkar FS, Bezjian AA, 575
Nurse-midwife program, physician-sponsored community, 719
Nurses Association of The American College of Obstetricians and Gynecologists, 463
Nutrition
  maternal, a selective review of clinical topics, 773
  maternal-fetal, *Editorial Comment*, 868

O

Obstetric-gynecologic terminology, *Letter to the Editor*, Donohue LR, 764
Obstetrics
  clinical, a self-assessment test, 438
  echography, ultrasonic films in, 299
  interviewing technics for gynecology and, 760
  recruitment for gynecology and, 429, 432
  terminology, 764
Office aids: I. A gynecologic history questionnaire. II. A simple data accounting and retrieval card, Backer MH, Probst RE, Comas MR, 306
Oncologist
  gynecologic
